Re: Friends of Jack Kingston
FEC Form 3 - Amended Report of Receipts and Disbursements
October Quarterly Report (07/01/2013 - 09/30/2013)

Dear Sir or Madam:

Enclosed is the referenced amended October 2013 Quarterly FEC report, submitted via UPS on March 3, 2014 using an online tracking system. This amendment is filed in response to a recent notice dated February 3, 2014, copy enclosed, from the FEC requesting additional disclosures.

The following are explanations of the contributions questioned as excessive, prohibited, and impermissible as listed in the attachment to the recent notice. Please find enclosed a copy of supporting documents of the corrective action taken. We acknowledge the responsibility of excessive contributions rest on our shoulders, and blame cannot be passed to others. We recently experienced duplication of contributors in our reporting software, and have since taken corrective actions to prevent these incidents from occurring again. We believe the Campaign has used best efforts to comply with FEC guidelines, and we appreciate the Commission's assistance and opportunity to take corrective actions.

In reference to items #5 and 6 of the recent notice, the amended report now shows additional detail and descriptions of itemized and petty cash disbursements.

Contributions from Possible Prohibited Entities

- Check #6662 was delivered on October 14, 2013 to refund the September 16, 2013 contribution from Steve Wansley & Assoc. as we were unable to determine the structure of the entity within thirty days of receipt. This refund was reported on the year-end report submitted via UPS on January 30, 2014.
